2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

The Cinnabar School family of staff, students, parents, and community, building on its traditions of excellence, discipline, and community involvement, seek to create a safe, stimulating environment which prepares our students to function effectively as lifelong learners and responsible citizens.

About Cinnabar Charter School:

The Cinnabar Charter School is part of Cinnabar Elementary School District along with Cinnabar Elementary School. The charter school, elementary school and district is a single school district and charter. Cinnabar Charter School serves about 170 students in grades TK-8. The district serves approximately 190 students in grades TK-8. Cinnabar Elementary School District was established in 1859 for the purpose of serving the children who lived mostly on farms just north of Petaluma. While some of the children today live on ranches, most live in homes that would be considered suburban. The school district serves a relatively diverse student body. The district has 14 classroom teachers, all of whom are experienced and highly qualified. In addition, we have support staff and a resource teacher to support students in their learning. We also provide weekly professional development for staff. Our focus is setting each and every student up for success.

We are a small school and district working collaboratively with students, staff and families ensuring all students are learning at high academic levels every day. Cinnabar Charter School is a STEAM School integrating Science-Technology-Engineering-Arts-Mathematics in our core curriculum academic programs. We are regrowing the STEAM program and are committed to Music Arts, PE and after school programs. We accomplish this by having a very rigorous program that allows teachers to differentiate when additional learning support is needed and challenge the highest performers with enrichment opportunities. We utilize intervention teachers in math, English Language Arts and English Language Learners. Parent participation is valued by the staff and encouraged. We are working on revitalizing our community foundation called Cinnabar Education Foundation (CEF) after the COVID pandemic led it to go dormant. We have a School Site Council (SSC), and an English Language Parent Advisory Committee (ELPAC).

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Cinnabar Elementary School District (that includes Cinnabar Elementary School and Cinnabar Charter School) is currently modernizing our 1950's school facilities. Measure J, a school improvement general obligation (G.O.) bond measure, was passed on November 4, 2014 to fund our modernization and renovation project. The Multi-purpose room was renovated in the summer of 2013 and a new middle school quad with three three additional classrooms was added in the summer of 2014. During the summer of 2015, two portables were replaced with newer models and two additional portables were added to the district, as well as installing a new electrical transformer and upgrading our low voltage systems. In the summer of 2016 new roofs, gutters and solar panels were installed, as well as parking lot lighting, expanding the kindergarten playground, replacing office windows, upgrading drainage and sewer lines district-wide. During the 2019-2020 year we upgraded our HVAC units, added a Culinary Arts Kitchen and added a beautiful Kindergarten playground. In 2022, we also added a beautiful play structure on the large playground. We also painted the trim and gutters.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	20	25	20	25	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

The Cinnabar School Board of Trustees recognizes that parents/guardians are their children's first and most influential teachers and that continued parental involvement in the education of children contributes greatly to student achievement and conduct. Parents/guardians can directly affect academic success by reinforcing their children's motivation and commitment to education. The District supports and encourages parent involvement as a component of instructional planning, for community building, and simply as a support structure of our overall program. We understand that teachers and parents/guardians can better meet the student needs if they work together. We are committed to communicating frequently, in English and Spanish, to keep parents/guardians well informed about school expectations and activities, students progress toward grade level expectations, and advise them of how to support future learning for their children. Please contact the Principal/Superintendent at Cinnabar School at 707-765-4345 for information pertaining to organized opportunities for parent involvement. Cinnabar has a fully implemented School Site Council and is working on resurrecting the staff and parent organization and the ELAC after COVID. Parent survey's in-house, California Healthy Kids Survey and now YouthTruth also help gather info and input from families.

The Board encourages parents/guardians to serve as volunteers in the school and to attend student performances and school meetings. Cinnabar School shows its commitment to this policy by establishing the following. Cinnabar is also revitalizing the Cinnabar Education Foundation and increasing parent involvement through that, after school activities and through organizations such as the School Site Council and the ELAC. We have a community liaison who works with our families to keep them informed and to give them a contact point on campus. She is a Spanish speaking bilingual support for our staff, students and families, translating phone calls, meetings and assisting families with life situations and school situations.

Board Policy

To answer the needs of the local community, provide ways to support parents in working with their children, build consistent and effective communication between the home and the school, train teachers and administrators in effective ways of communicating with parents, and to integrate parent involvement programs as part of the school's master plan for academic

2023-24 Opportunities for Parental Involvement

accountability.

Further, as a Title 1 school, Cinnabar recognizes the following:

A procedure to ensure the Title 1 parents are consulted and participate in the planning, design, and implementation of the Title 1 program.

Regular and periodic programs throughout the school year that provide for training, instruction, and information on all of the following:

Parent's ability to directly affect the success of their children's learning through the support they give their children both at home and at school;

Home activities, strategies, and materials that can be used to assist and enhance the learning of children both at home and at school;

Parenting skills that assist parents in understanding how to provide positive discipline for and build healthy relationships with their children;

Parental ability to develop consistent and effective communication between the school and the parents concerning the progress of the children in school and concerning school programs;

An annual statement identifying the specific objectives of the program;

An annual review and assessment of the program's progress in meeting those objectives;

Parents shall be made aware of the existence of this review and assessment through regular school communication mechanisms and shall be given a copy upon the parent's request.

2023-24 School Safety Plan

Cinnabar Charter School's Safety Plan has an annual review and revise cycle as follows: reviewing and revising the district's emergency and safety plan in August - October with staff; review, revise & update the safety plan with SSC and Leadership Team in November - December; review the safety plan with school board in February - March with Board approval of the safety plan in March. School Safety Plan was approved in March of 2023 and was approved again in January of 2024 by the school site council and shared with the board in January. The plan is also shared with staff at each update.

Cinnabar Charter School integrates PBIS (Positive Behavior Intervention and Supports) into our educational practices and programs to build and sustain a positive culture and climate for students. Our School rules are: be safe, respectful, and responsible. We positively reinforce students following the schools rules and explicitly teach behavior expectations so students can be successful in following our three school rules. PBIS is an important part of our school safety plan ensuring students have a safe and positive environment to maximize their learning. PBIS integrates a bullying prevention program to promote respect towards others and procedures to follow for bully prevention and intervention. PBIS explicitly teaches students behavioral skills in social emotional learning, conflict resolution, restorative practices, and relationship repair.
